Overly sticky foods are not permitted as they do not mix well with pinball. Other foods not permitted: chips, pretzels, popcorn, sticky candies like lollipops or gum.

We can provide a knife for cake cutting.

PARTY DETAILS:

Setup: You will have a 15 minute setup time before the official start of your party to decorate and bring in food.

At the end of your two hour party window we will start to help you clean up and will rely on you to wrap up your party in a timely manner. Often we will need to open for the public and/or have another party coming in. Kindly do not linger or bring your party into the courtyard.

Cleanup: We will give you a 15 minute window to wrap/clean up.

ADULT ATTENDANCE:

For every 10 kids we will allow up to 5 adults.

1-10 kids (5 adults allowed)

11-20 kids (10 adults allowed)

Our space maxes out at 30 people so please do not invite more than we can comfortably fit.

If you are interested in having an adult private party please contact us nicole@pinballoutreach.org

Please be respectful of our courtyard neighbors and do not leave kids unattended in the outside areas
